Lake Geneva's Indoor Waterpark

Don't forget your bathing suit for Moose Mountain Falls, our all-season, 50,000-square-foot waterpark! An incredible playground with 30,000 square feet of indoor water enjoyment and 20,000 square feet outdoors, Moose Mountain Falls features natural lighting and wide variety of options to entertain guests of all ages.

Two giant 35-foot-high slides take you on a thrill ride over 300 feet long, whisking you outside before plunging you back into the indoor, heated pool. The Lazy River offers tubing and 560 feet of twists and turns, while two activity pools, including the indoor pool's log path and "tree" slide present endless fun. And for those who just want to relax, we've got lounging areas, three whirlpool spas for both indoor and outdoor fun — even an indoor/outdoor hot tub.
